Lab Exam

PC656 - Computer and Communication Skills

Date: **29th October 2007**   Duration **1 hour 45 Min**.
                                                                   Maximum Marks **[20]**

Submission Guidelines

First, in your local drive, create a folder named after your ID and save all the content created for Q1 up to Q6 in the same folder. In the same folder, create a text file named after your id and write Answer to Q. 7. Also include Ans 1 to Ans 6 with indication to appropriate filename(s). Once all questions are answered, create a ZIP/RAR file and Upload it to the course web page.

Please note that submission page will be open only during the exam hours, hence any submission not received through this upload page will not be evaluated.

Q 1.   **Prepare and submit a Brochure/Advertisement demonstrating the usage   [5]
           of various graphics editing features of Photoshop/GIMP:**

Q 2   **Create and submit animation(s) using Flash demonstrating the   [4]
           following features**
   - Motion Guide   (1)
   - Motion Twain   (1)
   - Mask   (2)

Q 3   **Create and Submit an HTML that renders one of the animations   [1]
           created in response to Question 2.**

Q 4   **Suppose IMD is willing to update its website design. As a web designer,   [4]
           you are asked to suggest a better alternative to its current design. For
           this, you are expected to design an HTML and a CSS for the current
           web page content available at:
           http://www.imd.gov.in/section/nhac/dynamic/lrf.htm**
   - Submission of a Updated and verified HTML document   (2)
   - Submission of a verified CSS Document   (2)

Q 5   **Write a C Program that generates following output: [2]**
           *
           **
           ***
           ****

Q 6   **Write a C Program that prints *Multiplication Table* of 5 in Reverse   [2]
           Order.**

Q 7   **Short Questions:**   **[2]**

A) Create a search string that retrieves documents containing *Agricultural Information System* words published only in PDF format and hosted on governmental website.

B) Write steps to save and exit a text file that you have just finished editing in VI Editor.

C) Write a command to generate compilation output in desired name instead of "*a.out*".

D) Provide a name of a Vector Graphics Editing Tool.
